TIPS FOR PARENTS

Encourage Conversation: Talk to your child about their day, ask simple questions and encourage them to express themselves in complete sentences.

Read Together: Spend 10–15 minutes each day reading a story or picture book. Encourage your child to describe pictures, characters and events.

Make Learning Fun: Encourage drawing, coloring, tracing, puzzles, counting and simple activities through play rather than focusing on perfection.

Build Independence: Let your child practice simple tasks such as wearing shoes, opening their lunch box, packing their bag and putting toys away.

Encourage Healthy Habits: Offer nutritious food, ensure adequate sleep and encourage good habits such as handwashing, brushing teeth and keeping belongings organised.

Appreciate Every Effort: Praise your child's efforts and progress. Avoid comparisons and give them the confidence to try, learn and grow at their own pace.
