BCM ARYA MODEL SR. SEC. SCHOOL
CLASS- NURSERY

SEPTEMBER

Dear Parents,

Every new day is a chance to learn something new, discover something wonderful, and grow a little MORE.

September brought a beautiful blend of learning, creativity, celebration and joyful exploration for our UKG learners. Each day gave our little ones opportunities to express themselves, explore new ideas and learn through meaningful experiences.

From language and numeracy activities to art, music, celebrations and hands-on learning, our young learners participated with enthusiasm and curiosity. These experiences helped them develop confidence, communication skills, creativity, teamwork and a growing sense of independence.

At the Kindergarten level, every activity is designed to make learning joyful, meaningful and memorable. Our little learners continued to learn not only through books and worksheets, but also through stories, conversations, movement, imagination, observation and play.

It was truly a month of little discoveries, happy moments and growing minds.

Highlights

Story Sprouts – A Celebration of Storytelling

Story Sprouts – A Celebration of Storytelling. The "Sanskriti Se Siddhi – Story Sprouts Competition" was organised for the LKG students on 19 September 2026, providing our young storytellers with an enriching platform to express themselves with confidence. The children presented stories inspired by the values of Integrity, Resilience, Self-Discipline and Gratitude. Through this engaging experience, they developed their language and communication skills while strengthening their imagination, confidence and ability to express ideas creatively. It was heartwarming to watch our little storytellers bring their characters and stories alive with enthusiasm and expression.

Yummy Tummy – A Potluck of Healthy Delights

A delightful "Yummy Tummy" Potluck Party was organised on 19 September 2026. The children brought colourful and nutritious homemade food items and enjoyed sharing a wonderful variety of healthy delicacies with their friends.The spread included fruit chaat, vegetable salads, idlis, dhokla, mini vegetable pancakes, veggie muffins, sprouts, vegetable wraps, corn nuggets and mini momos.More than just a food activity, it was a joyful learning experience that encouraged children to share, interact and appreciate healthy food choices. The activity beautifully blended fun, food, friendship and learning, helping our young learners discover that nutritious food can be both healthy and delicious!

Highlights

Zoo-A-Day – A Virtual Jungle Adventure

On 28 September 2026, our little explorers embarked on an exciting Virtual Jungle Tour! The teachers introduced the children to a fascinating world of animals, taking them on an imaginative journey through different habitats. The children learnt about various animals, their homes and their young ones while enjoying an interactive and engaging classroom experience. It was an exciting way to nurture their curiosity about the natural world and help them learn through observation and conversation.

- NUMBER BUDDIES
- WHAT COMES \BEFORE/ AFTER/BETWEEN
- MYSTERY BOX
- YUMMY TUMMY TIME

UPCOMING ACTIVITIES

- NATIONAL POST DAY - 09.10.26
- SHOW N TELL COMPETITION - 22.10.26

TIPS FOR PARENTS

Encourage Conversation: Talk to your child about their day, ask simple questions and encourage them to express themselves in complete sentences.

Read Together: Spend 10–15 minutes each day reading a story or picture book. Encourage your child to describe pictures, characters and events.

Make Learning Fun: Encourage drawing, coloring, tracing, puzzles, counting and simple activities through play rather than focusing on perfection.

Build Independence: Let your child practice simple tasks such as wearing shoes, opening their lunch box, packing their bag and putting toys away.

Encourage Healthy Habits: Offer nutritious food, ensure adequate sleep and encourage good habits such as handwashing, brushing teeth and keeping belongings organised.

Appreciate Every Effort: Praise your child's efforts and progress. Avoid comparisons and give them the confidence to try, learn and grow at their own pace.
