CIRCULAR

Dear Parents

We would like to bring into your notice that the construction work is in progress in certain areas of the city. This ongoing work has not only resulted into detours and potential traffic congestion on the roads but also affected the commuting time for students to and from the school.

In order to ensure timely arrival of your ward to school, we recommend the following steps:

- ❖ **Leave Early**: Encourage your child to leave home a bit earlier than usual to avoid frequent delays caused by the construction work.
- ❖ **Use Alternative Routes**: Familiarize yourself and your child with alternative routes that could bypass the areas with heavy construction traffic.
- ❖ **Carpooling**: Consider organizing carpool arrangements with other parents to reduce the number of vehicles on the road during peak hours.
- ❖ **Stay Informed**: Keep yourself updated about the construction routes, road closures, and traffic updates through reliable local news sources and traffic apps.

Kindly note that the **school gate will be closed at 7.40 a.m sharp.**

Let's work together as a team to ensure smooth and effective school functioning.
