THE VISIONARY

Maharishi Swami Dayanand Saraswati

असतो मा सद्गमय,
तमसो मा ज्योतिर्गमय,
मृत्योर्माऽमृतं गमय ।

हे प्रभु, मुझे असत्य मार्ग से सत्य की ओर,
अंधकार से प्रकाश की ओर,
मृत्यु से अमृत की ओर ले चलिए ।

From Falsehood lead me to Truth,
From Darkness lead me to Light,
From Death lead me to Immortality.

THE INSPIRATION

Sh. Bahadur Chand Munjal

1886-1960

(in whose sacred memory the institution was established)

THE PIONEERS

The founder of Arya Samaj Movement Maharishi Dayanand Saraswati was of the view – “The main aim of education is to create human awareness so that they can understand the difference between the truth and falsity.” To incorporate the value of truth with knowledge, the founders of Arya Samaj Model Town, Ludhiana took up the initiative to establish a temple of learning for the new generation where holistic education based on the principles of Arya Samaj would be provided. Dr. Brij Mohan Lall Munjal laid the foundation stone of BCM Arya Model Sr. Sec. School at Shastri Nagar, Ludhiana on 2nd Oct., 1977. Sh. Sarup Narain Bajaj took the command of this ship of knowledge in his hands. A great freedom fighter Sh. Mohinder Pal Sayal carried the legacy forward.

Mahatma Satyanand Munjal took the reins in his hands in 1997. The school flourished to witness a new era of growth and fame with his enlightened vision until he breathed his last in April 2016. The institution took a giant leap towards global arena under the able Presidentship of Sh. Rajinder Pal Sayal, a freedom fighter and a patriot. Presently, Sh. Suresh Munjal ji is the President under whose guidance and leadership the institution is scaling new heights.

THE SCHOOL LOGO

VISION

BCM Arya will promote excellence in educational endeavours at all levels so as to develop human resources which will meet the future challenges of the society.

MISSION

To impart Quality Education by providing a dynamic learning environment, inculcating universal values and developing global vision so that each child becomes a life long learner and takes initiatives for global peace, harmony and sound economy.

Sh. Suresh Munjal
President
School Managing Committee

MESSAGE

*The biggest gift we are given
Is the power to touch a life,
To change, to make a difference
In the circle of life.
If we can reach out
With our hand, heart and soul,
The magic will start to happen
As the wheel begins to roll.
Let's turn the wheel together
To ensure humanity thrives,
We have the power and the magic
To serve to change lives.*

BCM offers an extraordinary educational environment and what makes us distinct is the value and quality of our innovative curriculum. Our institution is the most fertile land of talent, tenacity and towering success that ensures the real treasure of life.

We treat each student as a unique entity and steers them to unleash their hidden talent to the fullest. Through the educational endowments, we intend to transform individual lives and society as a whole for the greater good.

I appreciate and acknowledge parents' trust reposed in us for the best scholastic standards. I extend my heartfelt gratitude to all and promise that the entire BCM Family will always work harder and smarter for the glorious future of the students.

Dr. Paramjit Kaur
Director Schools

COMMUNIQUE

In this age of digital supremacy education systems are facing the dual challenges of equipping students with new knowledge and skills required to be competitive in global market while at the same time producing individuals who are responsible adults with a sound value system, good citizens both for their country and of the world.

Education is not just school's curriculum but 'Real Life Curriculum' where students are learning attitudes, value enhanced life skills and scientific knowledge. This helps learners to take decisions, solve problems, think creatively and critically, build healthy relationships, empathise with others, communicate effectively and manage their lives in a more healthy and productive manner. To connect the child to real life experiences practically will help them to unpack the dry knowledge of text books and learn to handle the complex puzzle called LIFE, with care and panache and become proactive agents of transformation among global community.

MESSAGE

"The key to pursuing excellence is to embrace an organic, long-term learning process and not to live in a shell of static, safe mediocrity."

The pivotal aim of education today is to ensure that students are provided with the most updated practices with edtech implementation addressing their future needs. The paradigm shift in education has offered a plethora of opportunities to explore the interests of the students and investigate new ideas. The school envisages to provide a sound education system to augment an innovative learning environment which will enable the students to be well equipped with skills and well versed in academics to enhance qualities like leadership, confidence, co-operation and compassion.

The academia also encourages moral edification which will mould them into benignant and virtuoso beings who are capable of taking the world in their stride and become trailblazers in their fields with 'I CAN DO IT' attitude.

Ms. Anuja Kaushal
Principal

THE JOYFUL PRIMARY YEARS AT
BCM ARYA.....

OBJECTIVES

- » Developing self-esteem and confidence in each child.
- » Developing life-skills.
- » Equipping with inter-personal and intra-personal skills.

ACADEMICS

- » Imparting a concrete foundation in the core subjects.
- » Assessment based on competition with oneself, not simply others.
- » Personalised learning.
- » Assessments are continuous and comprehensive.

ENVIRONMENT

- » A motivating learning environment.
- » Value based education.
- » Wide exposure to diverse history and culture of India.

“WHEN WE NURTURE A CHILD’S WHOLE BEING,
WE OPEN DOORS TO ENDLESS POSSIBILITIES.”

LOGISTIC TEACHING AND BUILDING CONFIDENCE

LEARNING BY DOING.....

To reinforce classroom instruction and to help nurture a scientific temper and the spirit of enquiry, the school has well-equipped laboratories. Students in all wings have access to all modern amenities and latest equipments. All latest gadgets, charts and models are available to facilitate students. All labs are well-equipped, spacious and well lit.

State-of-the-Art Physics, Chemistry and Biology labs are there for senior students. The requisite precautions are taken to ensure the safety of the children when they conduct experiments in the Science Labs.

Math Labs in junior and senior wing are well organised with a large number of mathematical tools which enable

the students to clarify all their doubts and to get rid of hackneyed ways of learning Maths.

Computer Labs with latest educational software are there in Kindergarten, Primary, Middle and Senior Wing including :

- * FMM Lab
- * Mass Media Lab
- * Robotics Lab
- * Information Technology Lab
- * Informatics Practices Lab
- * Lab for Staff with 24 hours internet service
- * Hi-tech Resource Centre

Maths Lab is equipped with NIIT Nguru MathLab and GPS software to enhance Teaching Learning Process.

ROBOTICS LAB

Robotics Lab introduces children to programming, increases their creativity by combining it with critical thinking, thus, prepares them for their future.

"The library is an arena of possibility, opening both a window into the soul and a door onto the world."

WELL-STOCKED LIBRARIES – THE KNOWLEDGE HUB

The school promotes culture of exploring, assimilating and deducing by exercising one's grey matter for personal and intellectual growth. The School Libraries have more than 31,000 selected books which include encyclopedias and reference books on various subjects. Magazines pertaining to the interests of the teachers and the students, different newspapers in various languages including weekly newspapers especially meant for kids add charm to the knowledge hub and cater to the young minds.

"A library is a place vibrating with ideas."

“DANCE

RULES FOR ADMISSION AND FEES NURSERY

Age : Born Between **October 1, 2019 to September 30, 2020.**

Registration : Online

Original Supporting Documents for Verification and attested copies to be submitted along with the Registration Form.

1. Highest Qualification Certificates of Parents.
2. Child's Birth Certificate (Issued by Municipal Corporation)
3. Proof of Alumni (If Applicable)
4. Proof of Sibling (If Applicable)
5. Medical Certificate
6. First born child (self declaration)
7. Proof of Residence

Fee Structure : Available on School Website

CLASS XI

Admission will be purely on the basis of the performance in Class X as well as on the aptitude of the student.

For students who have passed from other schools or other Boards, the discretion for admission vests with the Principal, subject to the availability of the seats in various streams.

Detailed information for admission to Class XI (all streams) will be available on school's website by January 15, 2023.

Other Classes

Subject to the availability of seats. Admission to all other classes will be granted on the basis of a pre-admission test and the student will be placed in the standard most suited to his attainments as assessed by the Principal.

Transfer Certificate

Students migrating from other schools must submit their Transfer Certificate and Progress Reports from their previous schools. The Transfer Certificate should be duly attested by the previous school.

PLEASE NOTE

- ✦ Registration makes the child eligible for consideration for admission only; it does not guarantee admission.
- ✦ Incomplete forms may be rejected.
- ✦ The dates for Registration of the candidates can be changed as per the convenience of the school authorities.
- ✦ The fee and other charges once deposited will not be refunded.

SCHOOL TRANSPORTATION

BCM Arya provides transportation with the specially equipped school buses.

- CCTV Cameras
- Speed Governors
- GPS System
- First Aid Kit
- Fire Extinguisher
- Emergency/Helpline Ph. No. (s)
- Female attendant for each bus.
- Pick and drop facility of the students is inside the school campus for safety.
